# OUR PROJECTS

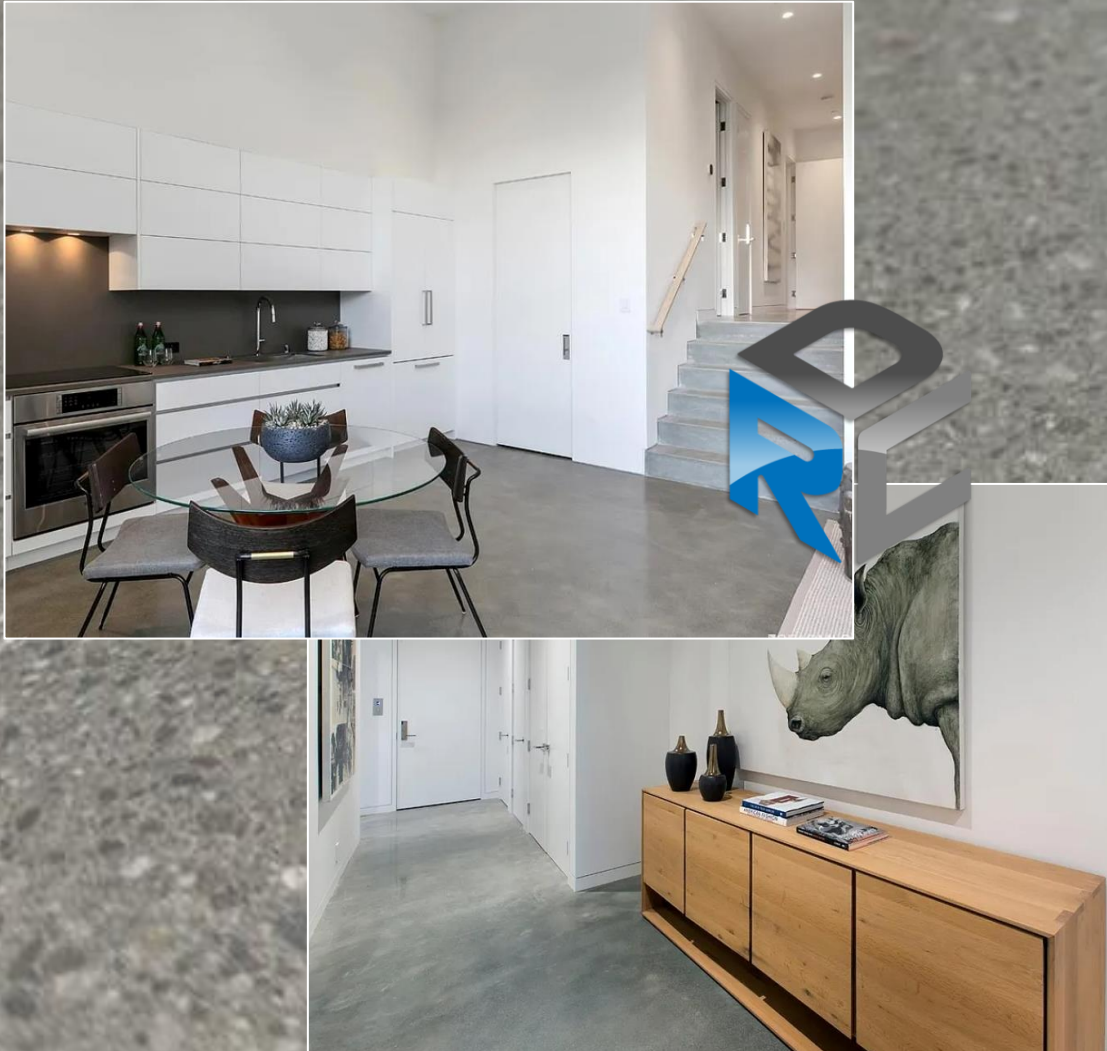

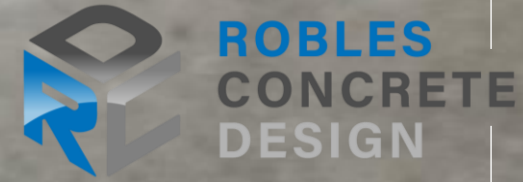

## Embodied Winery in Livermore, CA

### Scope: Floor refurbishment

- Former office and warehouse space with years of neglect, cracks, and spalling
- Removed tiles, patched and ground floors

**Final results:** polished stained floor with burnt Sienna color

# OUR PROJECTS

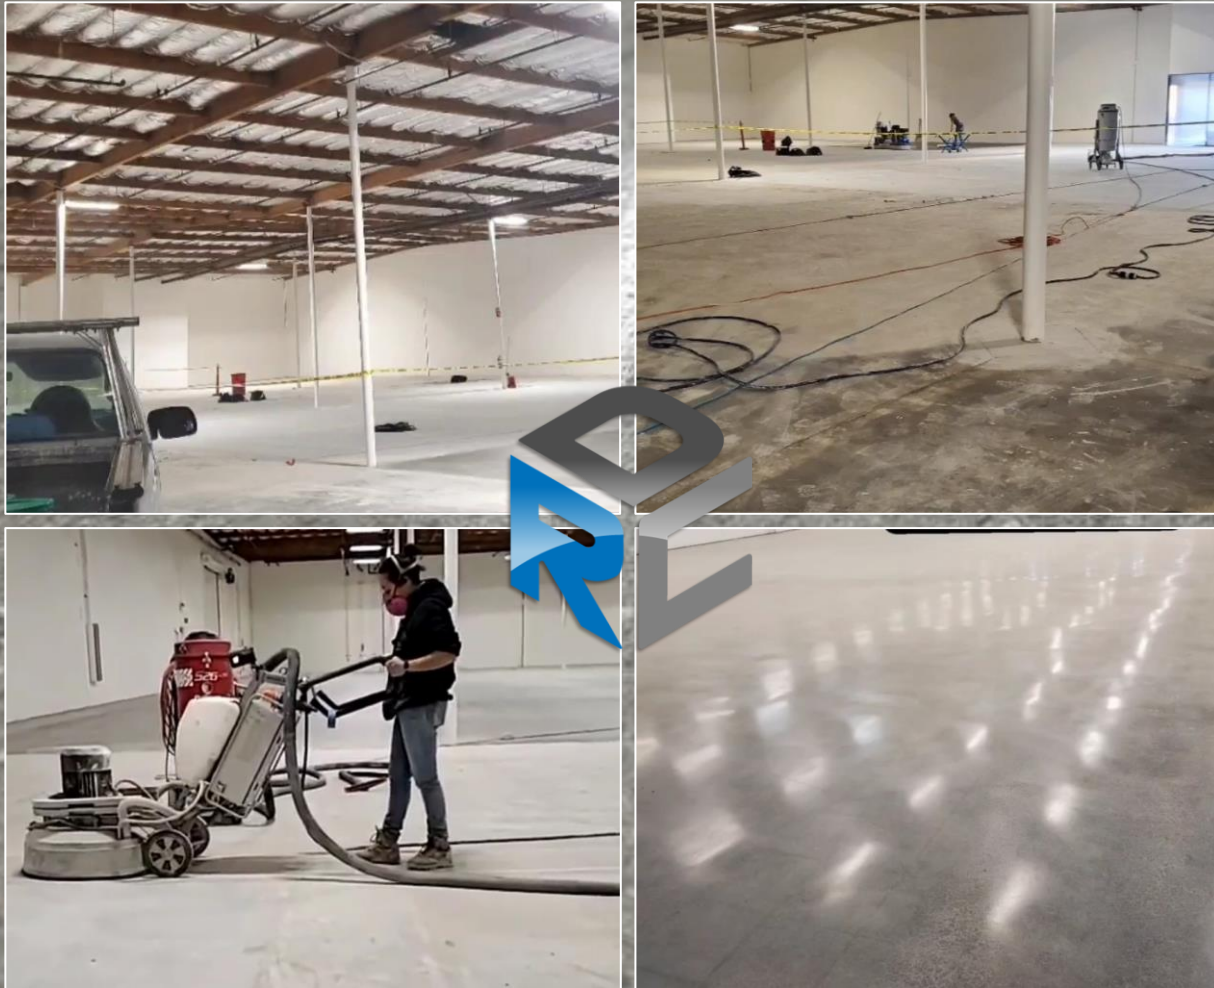

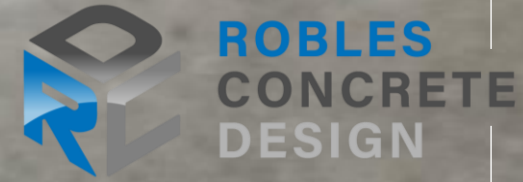

**1848 Green Street** in San Francisco, CA

**Scope:** Concrete polishing on custom home

- Project took place during the pandemic with little or no help...and no stairs to get inside
- Yet, we managed to continue work and finish the project.

**Final result:** 1500 square feet of 800 Grit Level B Polished Concrete

# OUR PROJECTS

**Senter Road** in San Jose, CA

**Scope:** 55,000 square feet of commercial warehouse space

- Floor was old with large holes and spalls throughout.
- Our four-man crew worked at night and completed the project in 15 working days.

**Final Results:** 200-Grit working warehouse finish!
