Wide range of general and construction trucking support services

Dedicated Operations and Logistics team

Great attention to detail. Deliver loads on time and error free.

SCHNITZER STEEL

SCOPE OF WORK:

- Transport metal scraps to the landfill
- Unload auto treated material on top of household waste collected by waste management

CHALLENGES:

- Multiple trucking companies caused inefficiencies for client
- Frequent breakdown of client's own equipment disabled ability for client to haul loads

RESULTS:

- Mitchells Transport became a dedicated carrier able for large capacity hauling
- Highly effective communication and commitment to client scope
- During client equipment failure and no loads to haul, Mitchells Transport remained dedicated as work became available

SCOPE OF WORK:

- Pick up loaded containers and transport to multiple locations
- Safety protocol adherence and schedule time-tracking

CHALLENGES:

- Specialized trucking needs for hauling of containers, livestock, produce from Oakland to Tracy, Modesto, and surrounding areas.

RESULTS:

- Successful hauling of over 80,000 lbs with our light, three-axel truck.
- Mitchell Transport trucks were the perfect fit for client’s containers as they were light in weight and capable of hauling large amounts.
